22nd Romanian International Conference on Chemistry and Chemical Engineering

RICCCE 22

September 7-9, 2022, Sinaia, ROMANIA

FIRST ANNOUNCEMENT AND CALL FOR SESSION PROPOSALS

Organized by:

*Faculty of Chemical Engineering and Biotechnologies, University POLITEHNICA of Bucharest
Foundation "C.D.Nenitescu"*

Romanian Society of Chemistry

Romanian Society of Chemical Engineering

The Conference

RICCCE 22 is the main international scientific event held in Romania in the field of chemistry and chemical engineering. The aim of RICCCE 22 is to provide a forum for presentation and discussion on the main scientific achievements in chemistry and chemical engineering fields and to establish contacts between scientists as well as companies involved in research and development.

Call for Abstracts

Participants are invited to submit abstracts for oral and poster presentation (400 words maximum; excluding authors names and affiliations).

Opening date for abstract submission is **May 1st, 2022**.

Deadline for abstracts is **July 15th, 2022**.

Selection of oral and poster presentations will take place and speakers and presenters will be informed by **July 31, 2022**.

Topics

1. New Developments in Chemical Synthesis & Catalysis
2. Biochemistry, Food & Health
3. Physical Chemistry; Electrochemistry & Corrosion
4. New concepts in Biochemical and Chemical Engineering
5. Monitoring & Environmental Protection
6. New Materials and Nanomaterials

Pre-registration and paper submission, on-line at: <http://riccce22.chimie.upb.ro>
